REAL TIME MONITORING

The pannel PC"15 shows in real-time the waveform of the temperature probes and pressure channels.

CLINICAL REPORT

All the treatment data and parameters are store d in the internal memory of the pannel PC and can be easily shared with hospital IT system using the USB and the Ethernet port.

SIMPLE AND COMPLETE

The unit, with two integrated pumps, manage s accurately the fluid dynamics of the different procedures.

ACCURATE CONTROL OF THE TEMPERATURE

The extensible arm enables the disposable heat exchanger to be placed close to the patient minimising the heat dissipation so that the perfusate temperature is precisely controlled.

DISPOSABLE PATIENT KITS

The diposable lines required to carry out the proedures [HIPEC, HITOC and ILP] are pre-assembled for rapid and intuitive connection to the Analytical equipment.

RELIABLE AND RAPID

N°EP1951339B1

set to be reached

reduction in the

The patented heating system

heater and miniaturised heat

very rapidly and maintained at the standard required with maximum linearity thus guaranteeing appreciable

duration of the procedures.

TEMPERATURE PROBES AND PRESSURE SENSOR

Analytical manages up to 10 temperature probes and 2 pressure sensors for continuous control of these parameters inside the patient.

02

FEATURES

188-260 VAC 47-57 Hz

Easy to use. The panel PC guides through the several phases Quick to reach the wished temperature of the solution thanks to the proven external heat exchanger, patent EP1951229B2 Easy to move and transport

HPLC Servicing, Validation, Trainings and Preventive Maintenance :

HPLC Servicing :HPLC Servicing : We have team of service engineers who can attend to any make of HPLC promptly @the most affordable cost.

 Trainings
 :We also take up preventive Maintenace to reduce downtime of HPLC's Trainings.

 AMC's/CMC
 :AMC's/CMC :We offer user training both in-House and at customer sites on HPLC principles, operations, trouble-shooting.

 Validations
 :Validations :We have protocols for carrying out periodic Validations as per GLP/GMP/USFDA norms.

 Instruments
 :Instruments :We offer instruments/Renting Services Modules like pumps,detector etc. on Rent.

About Analytical Technologies

Analytical Technologies is synonymous for offering technologies for doing analysis and is the Fastest Growing Global Brand having presence in at least 96 countries across the global. Analytical Technologies Limited is an ISO:9001 Certified Company engaged in Designing, Manufaturing, Marketing & providing Services for the Analytical, Chromatography, Spectroscopy, Bio Technology, Bio Medical, Clinical Diagnostics, Material Science & General Laboratory Instrumentation. Analytical Technologies, India has across the Country operations with at least 4 Regional Offices, 6 Branch Offices & Service Centers. Distributors & Channel partners worldwide.

Our Products & Technologies

Corporate Social Responsibility

Analytical Foundation is a nonprofit organization (NGO) found for the purpose of:

1.Research & Innovation Scientist's awards/QC Professional Award : Quality life is possible by innovation only and the innovation is possible by research only, hence ANALYTICAL FOUNDATION is committed to identify such personallities for their contributions across various field of Science and Technology and awarding them yearly. To participate for award, send us your details of research / testing / publication at Info@analyticalfoundation.org

2. Improving quality of life by offering YOGA Training courses, Work shops/Seminars etc.

3. ANALYTICAL FOUNDATION aims to DETOXIFY human minds, souls and body by means of yoga, Meditation, Ayurveda, Health Care, Awards, Media, Events, Camps etc.
